Dear Mary Ingraham

On behalf of the Western Massachusetts Climbers' Coalition (a registered 501c3, EIN #81-0548355), I would like to take this opportunity to thank you for supporting our organization and helping to protect and preserve climbing and outdoor recreation in Massachusetts.

Your generous donation of a one-week stay of your Decatur Island cottage to our 7th Annual Silent Auction (April 6th, 2014) was an extraordinary gift that allowed us reach our fundraising goals!

Thank you again for your charity and support.

Sincerely,
Peter Clark
